

Programme

# **Workshop: Food (in)Security in the Arctic: Contribution of Traditional and Local Food to Promote Food Security with Particular Reference to the European High North**

**11 October 2018**

Umeå University  
Universitetsklubben  
901 86 Umeå · Sweden  
<https://www.umu.se/en/>

**The Food (in)Security in the Arctic: Contribution of Traditional and Local Food to promote Food Security with Particular Reference to the European High North** -project of the Arctic Centre at the University of Lapland will explore the concept of human security as it applies to food security in the Arctic. The central aim in the project is to develop a network of scholars in order to promote new knowledge concerning the effect of climate change in the circumpolar Arctic on its vulnerable groups of population in regard to promoting overall food security. <http://www.arcticcentre.org/EN/projects/foodsecurity>
